

## ***Would you like to be a venue?***

On Tuesday June 21<sup>st</sup>, 2011, from 11:00AM to 7PM, the Arts Council of Greater Kalamazoo is thrilled to be bringing back by popular demand **Make Music Kalamazoo!!!**

This is the current incarnation of the French original phenomenon “*Fete de la Musique*” now in its 29<sup>th</sup> year and celebrated in over 300 locations in over 100 countries worldwide. Celebrated in Kalamazoo since 2006, we’ve had over 100 musicians performing at over 10 different businesses like yours.

This is a free event to all, and is a great chance to join us in showing off Kalamazoo’s large and very diverse musical community!

Whether you’ve been involved in the past or are new to this event, I invite you to consider adding your establishment(s) to our growing list of venues this year. As we are getting more and more inquiries from interested musicians, we can work with you to find appropriate groups for your site, or we encourage those of you that regularly feature live music to reach out to those regulars and bring them on board.

Some things to consider are the time(s), genre(s), acoustic or amplified, available amplification system, etc. More general information is available currently at [www.kalamazooarts.org](http://www.kalamazooarts.org) and will be soon at [www.makemusickalamazoo.com](http://www.makemusickalamazoo.com).

I would welcome the opportunity to discuss with you the possibilities of your participation in **Make Music Kalamazoo 2011**, and can be reached at the phone number or email address below.

Thanks very much for your consideration, and let’s:
