

Make Music Kalamazoo

Make Music Kalamazoo Facts for Volunteers

What is Make Music Kalamazoo?

On June 21, downtown Kalamazoo will be transformed into a musical paradise. Musicians from all different backgrounds and genres will be able to share their art and love of music with the community in outdoor and/or indoor venues. Whether you're a professional musician, amateur, or belong to a rock 'n roll band, Make Music Kalamazoo will inaugurate the first day of summer and celebrate the "art of the musician".

Where did it start?

Make Music Kalamazoo is the current local incarnation of the French phenomenon *Fete de la Musique*. First celebrated here in 2006, it has been an international annual tradition for 29 years now and currently is celebrated on the same day, the summer solstice on June 21st, in more than 350 cities in over 100 countries all around the world!

Where are the musicians playing?

Musicians will be performing at outdoor and/or indoor venues all around downtown Kalamazoo.

How much does the event cost?
